

Secondary School Improvement Leeds

Languages Conference

Children Leeds

Friday 27th January 2012

Children Leeds

9:30am – 4pm

Pudsey Civic Hall, Leeds, LS28 5TA

As a Subject Leader, Key Stage Leader, Lead Teacher or AST you are invited to attend a truly inspiring day of workshops with opportunities to discuss teaching Languages today with a broad range of colleagues.

A Key Note speech on the issue of literacy from **Martine Pillette** an independent consultant, trainer, author and examiner in the field of modern languages at KS2-5 . She is regularly involved in national and regional initiatives through organisations such as CILT, ALL, the National Strategies, local authorities and school networks. She is one of the lead authors of the KS3 Framework for languages (2009). Martine has authored or co-authored many publications including *Formule X*, *Objectif Bac* and *Elan*.

The workshops include:

A	'Stepping Up!' Ideas & projects to enhance motivation & transition.	
	Lesley Welsh	
	<p>Inspiring & motivating languages learners with ideas & projects to enhance motivation & transition across the key stages.</p> <p>This interactive session will show delegates how to enthuse & motivate pupils using a variety of ideas & topics which can be taken away + used the next day. Expect to join in!</p>	
B	GCSE Speaking –the challenges & the opportunities.	
	Juliet Park	
<p>The current GCSE has brought with it more freedom and choice for both teachers and pupils but also the need for more student independence in the controlled assessments. The session will demonstrate techniques for developing student autonomy, performance and confidence at GCSE level. Reference will be made to all language skills but with a particular focus on speaking and how to raise attainment.</p> <p>This workshop will show how to add 'zing' to the controlled assessments through engaging themes, activities such as extreme sports, spies & secret agents, dragon's den activities, celebrity culture, teenage media interest, & famous icons such as Che Guevara amongst others.</p>		
C	No Brainer Blogging for Beginners	
	Joe Dale	
	<p>Using new technologies & social media to engage students & to improve their outcomes.</p> <p>This workshop will explore how to post text, images, sound & video to a languages blog with Flip camera, USB microphone & notebook. Find out how to easily incorporate blogging into your language lessons. Enthuse your students & raise standards!</p>	

Coffee and registration are available from 9:30 am. Refreshments and lunch are included.
